President K9JQY called meeting to order at 7:35 p.m. Minutes of the previous meetings were read and approved. The Treasurer's report was read and approved with balance being \$1,296.83.

The chairman of the "Public Address System for the Lighthouse", K9PNJ reported on his findings. This worthwhile project will cost approximately \$300 to \$400. He outlined three proposals to finance this venture. One was an individual donor with club members doing the work. Second, a group of donors with club members doing the work. The third being strictly a club project with members donating money and time for the completion of the project. At this point W9WNM offered to underwrite fifty dollars for the project if undertaken by the club. It was agreed the Board of Directors would recommend to the membership at the next general meeting the third plan be adopted--TARS being solely responsible. Voluntary contributions will be accepted from club members with necessary balance to come from the club treasury.

W9OG reported on the Viet Nam traffic. This endeavor has progressed very well. It has improved our liaison with Mr. Check of the Red Cross. W9OG, Ray Miller, will give a talk to the "Servicemen's Wives" in regard to the Viet Nam traffic.

President, K9JQY reported W9RDJ will conduct code practice sessions after meetings, beginning with the March meeting.

Secretary, W9DGA, read correspondence from the Indiana Radio Club Council regarding their spring meeting to be held April 3rd at Butler University in Indianapolis. Several present said they would like to attend. Also received from the IRCC was a nominating form for the Indiana outstanding amateur award and field day information. Also received from the Dayton, Ohio Radio Club was information regarding their Hamfest to be held April 16th.

The secretary read a FCC Statement of Policy dealing with the problem of inadequate television receivers. ARRL Field Day dates will be June 25th and 26th. The rules were given to the Emergency Coordinator, W9OG.

The Treasurer, Ray Miller, W9OG asked to be relieved of his duties as treasurer no later than June 30th. He stated he would continue as the Emergency Coordinator.

Under old business, K9PNJ reported on the "Cradle for the club Generator." Sears Roebuck had been contacted but have none available. After discussion it was agreed he would have one made. \$25.00 has been allotted for this project in the past.

Earl Green K9PNJ Program Chairman.

President K9JQY called meeting to order at 730 pm. Minutes of previous meetings approved as printed in Sparks. Treasurers report approved as submitted showing a balance of \$1,037.44.

A lengthy discussion was had on the financial situation of TARS. It was generally agreed that next year an active membership program should be initiated. Discussion was had relative to the Annual "TARS Hamfest" and the "Annual Past Presidents Banquet". This will be discussed again at the next Board of Directors Meeting.

Discussion was had on the Treasurers Bond. K9LAU will make the necessary arrangements.

The Secretary read correspondence from ARRL re letter sent to manufacturers of Citizen Band Equipment from the FCC. Also ARRL Director letter re CB attempts to get the code requirements removed from the Amateur Radio Service exams, and the reasons why the FCC gives for not doing so. The key seems to be in the sentence "....one of the most important justification for the Amateur Radio Service is its value in time of emergency. Emergency conditions arise where radiotelegraphy may be the sole means of establishing communications." It was agreed that "TARS" should once again take an "active" part and leadership role in Emergency Communications locally.

Correspondence from ARRL re "Hamquest '67" was read and discussed. This will be taken up again at the next Board of Directors meeting and be tied in with a local membership drive and Hamquest '67.

A lengthy and "soul searching" general discussion was had on ideas to improve TARS. Everyone present "let their hair down" so to speak and a better "TARS" should be the result.

The president for 1967, W9LXA announced K9STX will be the Program Chairman with WA9BPP the "Coffee Maker."

Meeting adjourned at 950 pm.
